

# **Laboratório de Biologia Molecular Aplicada em Micobactérias**

**2011**

## **Capítulo de livro**

Santos AR, Lizania Spinasse, Lopes MQP, Antonio de Miranda, Teixeira RLF, Fernanda Melo, Jose Roberto Lapa, Suffys PN, 2011. Partial mapping of the IL-10 promoter region: Identification of news SNPs and association with tuberculosis outcome in Brazilians. Mycobacterium Tuberculosis, InTech - Open Access Publisher

Ana da Costa, Maísa Sousa, Maria Lopes, Lucia Sales, Suffys PN, Karla Lima, 2011. Pulmonary nontuberculous mycobacterial infections in the State of Para an endemic region for tuberculosis in North Brazil. Pulmonary Infection, InTech - Open Access Publisher

**2012**

## **Capítulo de livro**

Borges LS, Lopes MQP, Antonio Basílio de Miranda, Teixeira RLF, Fernanda Carvalho de Queiroz Mello, Jose Roberto Lapa e Silva, Suffys PN, Santos AR, 2012. Partial Mapping of the IL-10 Promoter Region: identification of New SNPs and Association with Tuberculosis Outcome in Brazilians. Mycobacterium Tuberculosis Book 3 Understanding Tuberculosis - Analyzing the origin of Mycobacterium Tuberculosis Pathogenicity, Intech Open Acess Publisher p. 1-2.

Ana Roberta Fusco da Costa, Maria Luiza Lopes, Maísa Silva de Sousa, Suffys PN, Lucia Helena Messias Sales, Karla Valéria Batista Lima, 2012. Pulmonary Nontuberculous Mycobacterial Infections in the State of Para, an Endemic Region for Tuberculosis in North of Brazil. Pulmonary Infection, Intech Open Acess Publisher p. 1-19.

**2013**

## **Capítulo de livro**

Lopes MQP, Teixeira RLF, Miranda AB, Pinto RS, Borges LS, Lapa e Silva JR, Suffys PN, Santos AR, 2013. Influence of the Interferon–Gamma (IFN $\gamma$ ) and Tumor Necrosis Factor Alpha (TNFa) Gene Polymorphisms in TB Occurrence and Clinical Spectrum. Tuberculosis - Current Issues in Diagnosis and Management., INTECH p. 79-100.

Teixeira RLF, Lopes MQP, Suffys PN, Santos AR, 2013. Tuberculosis Pharmacogenetics: State the Art. Tuberculosis - Current issues in Diagnosis and Management, Open Science p. 105-126.

**2017**

## **Capítulo de livro**
